how we
travel & how
we talk!

TRANSPORT AND COMMUNICATION

Class 3 - E.V.S. Revision Notes

Name: [Student Name]
Subject: Social Studies

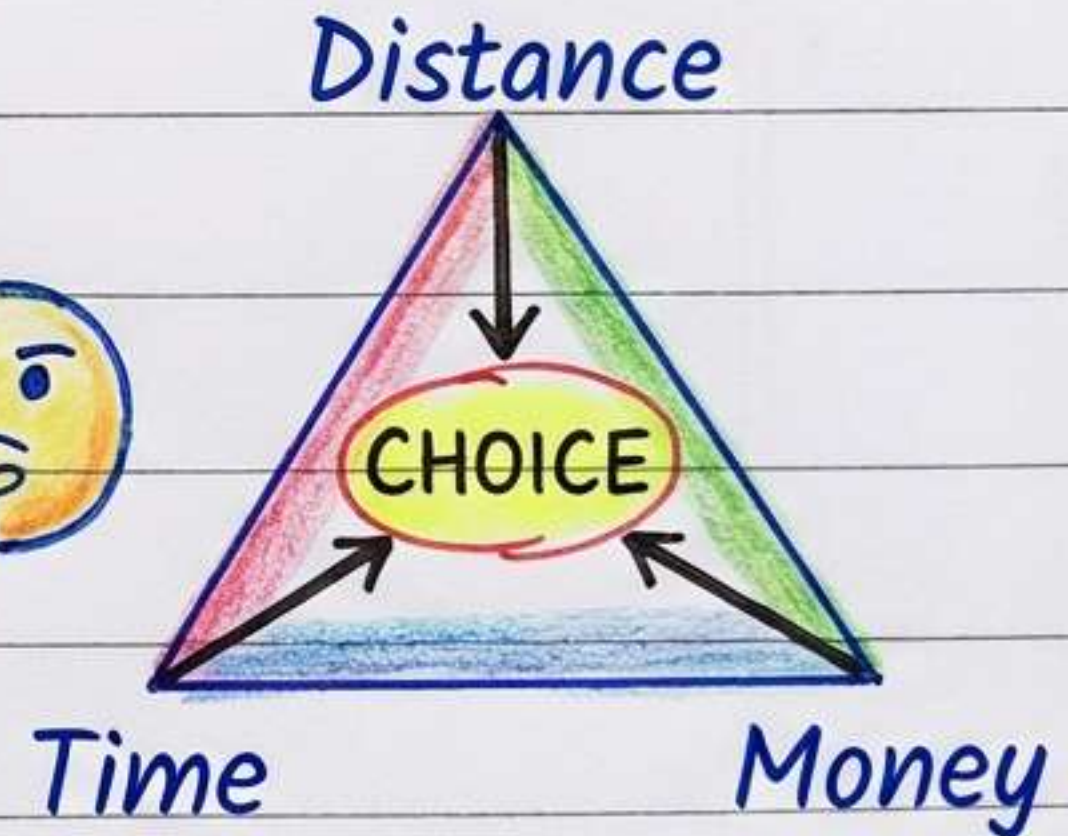

Let's get full marks! ✨

MEANS OF TRANSPORT

- We need to go from one place to another.
- The vehicles that help us travel = **Means of Transport.**
(एका ठिकाणाहून दुसऱ्या ठिकाणी जाण्यासाठी वापरली जाणारी वाहने.)

How do we choose a vehicle?

1. **Distance** to be covered (How far?)
2. **Time** available (How fast?)
3. **Money** we can spend (What is the budget?)

1. LAND TRANSPORT (ROAD)

- Vehicles that move on land.
 - Passenger Vehicles: Bicycles, Buses, Cars, Scooters, Motorcycles, Auto-rickshaws, Cycle rickshaws, **Tongas**.
 - Heavy Loads: Trucks & **Tempo**s.

(जमिनीवर चालणारी वाहने - रस्ता आणि रेल्वे.)

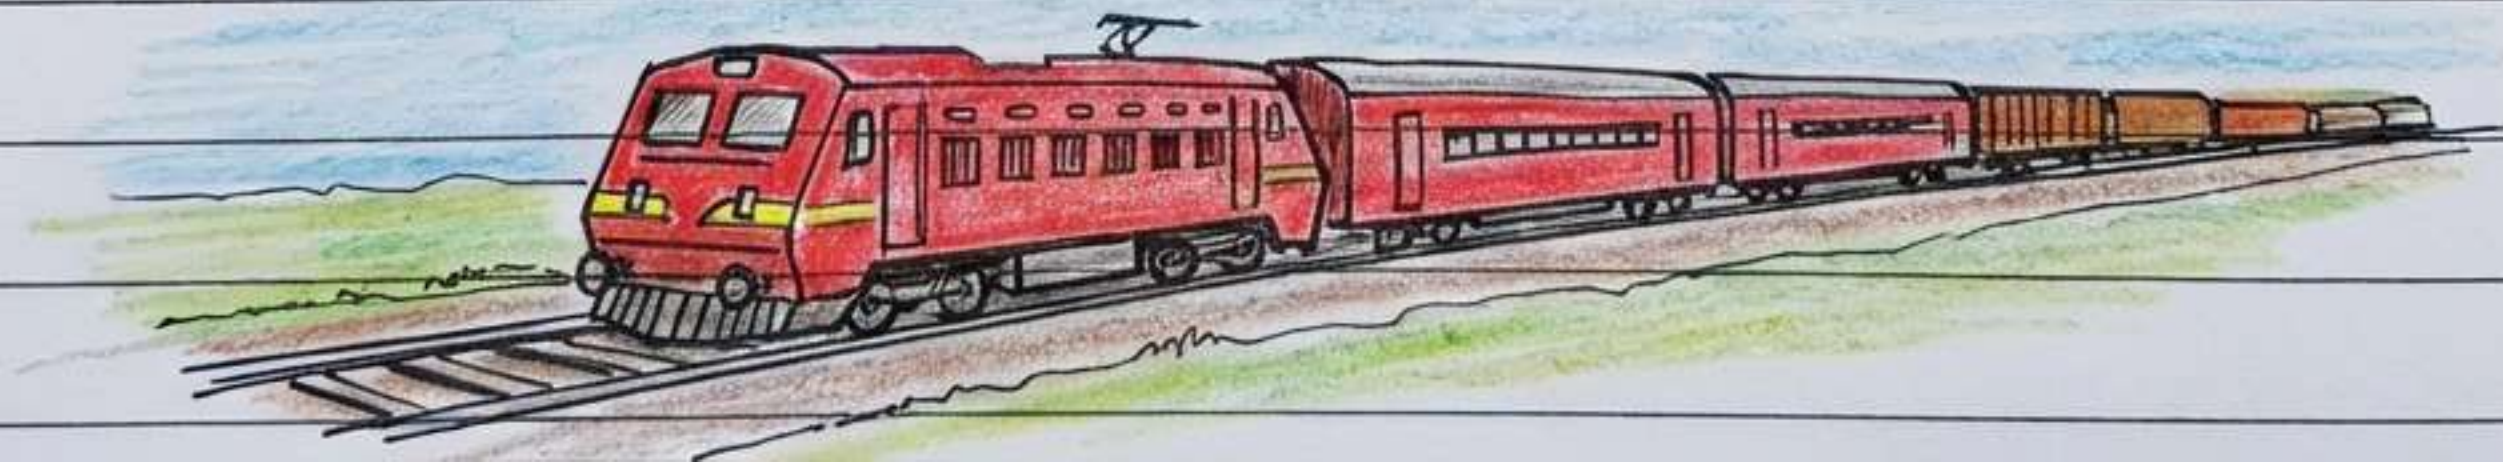

LAND TRANSPORT (RAIL)

- Used for Long Distances.
 - Trains move on Railway Tracks.
-
- Passenger Trains: Carry People.
 - Goods Trains: Carry Things/Cargo.
 - Metro Trains: Run on special tracks within some cities.

Land transport is the CHEAPEST means of transport.

(સર્વાત સ્વસ્ત પ્રવાસ મ્હણજે જમિનીવરીલ વાહતૂક.)

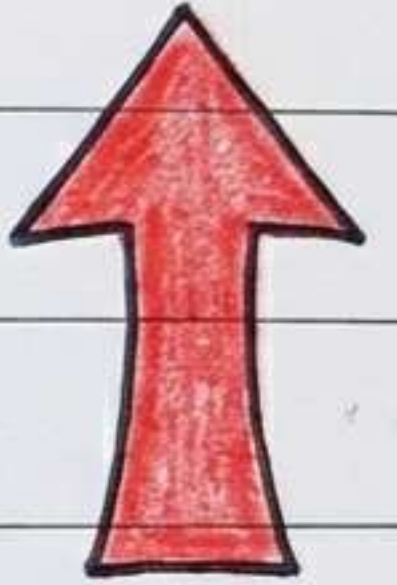

2. WATER TRANSPORT

- Vehicles used to travel on water.
 - Short Distance: Boats, Motorboats, Steamers.
 - Long Distance: Ships (travel to other countries).
 - Cargo Ships → Carry heavy loads.
 - Important for International Trade.
(आंतरराष्ट्रीय व्यापारासाठी अत्यंत महत्त्वाचे.)

3. AIR TRANSPORT

- Aeroplanes
- Helicopters
- **FASTEST** means of transport.
- **MOST EXPENSIVE** means of transport. Cost & Speed
(सर्वात वेगवान पण सर्वात महाग.)
